How to Change your password in Houndmail

New Students: Open Internet Explorer, Go to http://houndmail.macc.edu or http://www.macc.edu and click on the Student Email tab at the bottom of the screen

- Type in your id number, this is your user name
- Type in the password given to you, by the advisor.

(Click on this link to watch a Houndmail VideoTutorial)

New students and current students, who have not changed their password, will want to change it now, from the one given to you by the advisor. Change your password by clicking on “Change Password” found on the upper right corner of the page.

To change your MyMACC/Domain/Wireless/Houndmail Password

- Type in your Username (ID number)
- Type in your old password
- Type in your new password
- Re-type your new password to confirm
(Please remember your new password, and be careful not to share it with anyone)

(This does not change the password for your online class, that has to be changed separately)

Note: If you have any trouble logging in, please call the helpdesk at 660-263-4100 x11555.
