How to Check Your Current Roster with myMACC

Do you know how to check your current roster? An easy way to check your roster to see all current students is to login to your myMACC account.

Select the **Faculty** tab after you log in.

Choose **Schedules**

You will now see this window. Choose the down arrow button on the class for which you want to check the roster. You will be able to select Course Details, Class List, Grade Entry or Textbooks.

You will choose **Class List**. A current class roster opens.

If you want to print the newest, up-to-date roster, select **Export to Excel** and print from there.
