BRIEF HISTORY

- Founded as Moberly Junior College in 1927 as part of Moberly public school district. First classes for approximately 50 students held above downtown Piggly Wiggly.
- Main Building constructed in 1931; campus today includes six instructional/administrative buildings and dorm facilities.
- Separated from high school in 1968 (officially by election in 1982).
- Renamed Moberly Area Community College in 1990.
- Expanded to off-campus sites in late 1990’s and early 2000’s.
- Accredited since 1980 through the Higher Learning Commission—North Central Association (last comprehensive visit, 2011).
- Open admissions philosophy.

MACC LOCATIONS

- Moberly (main campus)
- MACC-Columbia Higher Education Center
- Advanced Technology Center (Mexico)
- MACC-Kirkville Higher Education Center
- MACC-Hannibal Area Higher Education Center
- Macon Area Education Center
- Jim Sears Northeast Technical Center (Edina)

Dual-credit classes offered throughout approximately 34 area high schools.

Courses delivered traditionally as well as through distance learning technologies (ITV, online, virtual, and hybrid courses).

ENROLLMENT

Fall 2005  3,835 students
Fall 2015  4,872 students

STUDENT DEMOGRAPHICS

52% part-time  23% non-traditional
58% female  85% transfer majors

Average age of students: 23.7
Faculty to Student Ratio: 1:21

- Semester Abroad and Cultural Travel Courses

Flexible scheduling including summer, intercession, online, and evening courses

AMERICAN COMMUNITY COLLEGES

Number: 1,123 institutions
Enrollment: 12.4 million (nearly half of all UGs)
Average tuition: $3,347 (4-yr college $9,139)

Community college students are more likely to be minority, first generation, older, employed full-time, or single parents than four-year students.

Over half of all new nurses and the majority of other new healthcare workers as well as firefighters, law enforcement officers, and EMTs are trained at community colleges.

90% of the U.S. population lives within 25 miles of a community college.

Community college graduates earn approximately 30% more annually than high school graduates.
