The College, Career & Health Fair was a great success. With 122 Exhibitors present, MACC gave our faculty/staff, students and community a networking frenzy!

Nursing students prepared a variety of educational materials for attendees!

On October 25th, MACC’s Career & Technical Education Allied Health Department hosted a health professions open house for anyone interested in coming back to school to pursue a degree in a variety of programs offered at the Moberly, Columbia, Kirksville, Mexico and Hannibal Campus locations. Many joined us to hear information from the following programs:

- Certified Nurses Assistant
- Certified Medication Assistant
- Practical Nurse
- Associate Degree in Nursing (RN)
- Medical Lab Technician/Phlebotomist
- Occupational Therapy Assistant

Also offered is an Associate of Arts in Health Sciences that allow students to transfer to a four-year college/university.

If you have questions, are interested, or know someone else, please feel free to call 660.263.4100 ext. 11250

The next open house will be held at the Mexico Campus in April, 2018

(specifics will be posted closer to date).

TEACHER ASSISTANT
The Teacher Asst. works cooperatively with the Teacher to plan and implement the daily education program for the children. Under the reflective supervision of the Teacher, the Teacher Aide will execute classroom activities and help maintain a classroom environment that is developmentally appropriate and meets the individual needs of the children as mandated by federal, state and local standards, and that reflects the center’s philosophy and curriculum.
Job Duties
Assist Lead Teacher in maintaining records on each child’s progress and development; Responsible for assisting lead teacher with regulations/guidelines in the day to day operation of an early childhood classroom of 20 children. Participate in staff meetings, center activities, and staff development. Maintain a well-organized, safe and attractive classroom environment conducive to optimal growth and development of children; develop a positive relationship with each child and promote development of self-esteem and self-discipline; assist the teacher in conducting parent conferences/meetings; assist the teacher in implementation of IEP’s and inclusion of children with disabilities and special needs; assist Lead Teacher in planning and implementing the daily program of activities based on the Center’s child development curriculum and in accordance with the Missouri Early Learning Standards; observe each child’s skills, interests and needs to assess and to facilitate learning and growth; ensure that all children are under appropriate supervision at all times. To apply, contact Nan Sago at 1416 E McKinsey St, Moberly, MO 65270 (660) 263-8090.
This semester, the New Traditions Committee decided to recognize those students that have maintained a 4.0 GPA while in 10 or more credit hours. There were three students. Pictured to left is Sonda Stuart, Director CTE Data & Student Success presenting certificate to Joella Davis, AA Health Sciences (Pre-PTA) along with Dean of CTE, Jo Fey. Pictured in the center is Sonda Stuart presenting to Amy Dale, AAS Mechatronics. And on the right, Sonda Stuart presenting to Audra Meeks, AA General Studies. Great job ladies!

NEW TRADITIONS
SCHOLARSHIPS AND GRANTS

MACC’s long-standing New Traditions program provides scholarships and grants from a variety of donors and three separate sources of funding. MACC offers five annual institutional awards valued at $500 per semester and renewable for one semester. The application deadline for those awards is March 16, 2018: http://www.macc.edu/financial-aid-types/scholarships

There is also funding through state legislation that offers fee waivers for Displaced Homemakers in addition to privately funded New Traditions scholarships. Students who may have missed the deadline or were not selected for Institutional Awards can still apply for other scholarships and grants for the spring 2018 semester through the New Traditions Program.

Interested applicants are encouraged to apply by phone. Please contact Elaine Avery, Career Specialist, weekdays between 8 am—noon at (660) 263-4100 ext. 11319, or Sonda Stuart, Director of Career and Technical Education Data & Student Success, ext. 11232, 8 am—5 pm.

What is ASTRA? ASTRA - an acronym formed from.......  
A = Ability - To know that all of us have special talents to share with others.  
S = Service - To improve the lives of those less fortunate in the community  
T = Training - To develop leadership ability and potential.  
R = Responsibility - To learn to accept obligations and know the satisfaction of carrying projects through to a successful conclusion.  
A = Achievement - To experience success; to know that a group can accomplish so much more than any one individual.  

ASTRA is ...  
A volunteer organization for young people, sponsored by local Altrusa Clubs.  
An opportunity to use your time and talent to enrich the lives of others.  
Working with other local civic and volunteer groups on service projects of lasting benefit.  
Interaction with the business, professional and civic leaders who are members of the sponsoring Altrusa Club.  
A unique opportunity to form lasting friendships and share your ideas, goals and aspirations with others in your peer group.  
ASTRA is for You!  

Experience the satisfaction that comes from being involved in activities that will make your community a better place to live  
Develop your leadership potential by assuming positions of responsibility in your Club.  
Benefits from the assistance and experience offered by your sponsoring Altrusa Club.  
Be a part of the Altrusa International Family - ASTRA and Altrusa Club members, working together to make an impact on today’s world.  

ASTRA Club Service Awards  
Funded by the Altrusa International Foundation, Inc. the ASTRA Club Service Awards annually recognizes ASTRA Clubs for the service activities they Conduct in their communities and schools.
