

Brunswick High School and Moberly Area Community College are teaming, again, for the Spring 2024 semester to offer you a great opportunity to start earning a college degree through the dual credit program. The following dual credit classes will be offered in your high school this Spring:

<u>Section</u>	<u>Course Title</u>	<u>Time</u>	<u>Credits</u>
LAL101	Composition I	Online	3
PHY120	Foundations of Chemistry	Online	4

Dual credit classes are a great way to receive college credit while still in high school. These courses will be taught in your high school by instructors who have been approved by MACC. These instructors have a master's degree and will be teaching the course according to college standards. Academic dual credit classes will transfer to most public and private institutions in the state. If you would like information about transferability to a specific college, please feel free to call us at the phone number mentioned below.

Login information was sent with student MACC acceptance letter. MACC will also be sending the student schedule and login information to the high school counselor after registration. *No cash, credit/debit cards, check, or money orders will be accepted when MACC representatives are at the school.***
