## **ASSOCIATE OF SCIENCE IN ENGINEERING**

---

When students complete an Associate of Science (AS) in Engineering degree at MACC they will be able to:

1. Demonstrate foundational knowledge in math and science necessary to transfer to a BS engineering program at a four-year institution.
2. Demonstrate effective oral and written communication, teamwork, and collaboration in scientific, mathematical, and other settings.
3. Demonstrate logical reasoning in problem-solving by applying appropriate mathematics and physical science principles.

**This is our program promise.**
