DIVERSITY, EQUITY & INCLUSION

Introduction to DEI
Because we honor everyone, this work is for everyone.

Greetings! Welcome to the Diversity, Equity and Inclusion (DEI) monthly newsletter. The goal of this newsletter series is to educate, activate, and engage the MACC community for action regarding diversity, equity, and inclusion.

Each newsletter will contain information pertaining to one of many aspects of DEI. We hope to help our community understand what DEI is, why it’s important, and provide ideas on how to promote diversity, equity and inclusion in all aspects of the MACC community.

If you would like to get involved in these efforts, we would love to have you as a member! You can join by contacting either Tami Sells (tami@macc.edu) or Julie Herek (juliehe@macc.edu).

So to start things off, What exactly is DEI?!

**Diversity** MACC acknowledges and embraces the interconnected range of physical, mental, and emotional human differences across our college community.

**Equity** MACC provides accommodating access to opportunities, networks, resources, and support regardless of an individual’s identity.

**Inclusion** Together the MACC community strives to maintain an inclusive environment, where individuals of all cultures, identities, and abilities have equal access to the education and resources that are available.

To Summarize, we strive to make sure everyone has a chance to feel part of the MACC community and has access to the resources they need to be successful in reaching their goals, whatever they may be.
