TOTAL Estimated Professional Year Cost \$ 18,576.05

***Tuition & Fees listed above are current for 2024-2025 and are paid directly to the home campus, subject to change each year.** Specific tuition and fee rates may vary by campus but the total cost to the student remains the same regardless of home campus assignment. Total tuition and fee rates include tuition, professional program/course fees, student activity fees, technology fees and support services fees and do not vary based on student designation of in/out of district. **All other costs (books, immunizations, screenings, supplies, etc.) are only an approximation.** Program costs above do not include ordinary costs of daily transportation, living expenses, child care, and health insurance.

Transportation costs to travel to home campus, clinical lab and/or clinical fieldwork sites are not included above. Clinical fieldwork costs will vary throughout the professional coursework depending on location. If a student chooses a distant clinical fieldwork site, he/she is responsible for related living expenses, including transportation, room and board.
