Election changes

The IRS does not allow changes in your annual election unless you have a qualified change in status. You need to notify your employer within **30** days of any qualified status change.

What type of employee is eligible to participate?

Full time employees working 30 or more hours per week.

End of the year run-out

- Your employer has opted for the grace period extension offered by the IRS, which allows an additional two months and 15 days (3/15/26) to incur expenses toward your FSA, LFSA or DCA after the plan year has ended.
- FSA and LFSA claims can be submitted up until 3.31.26. Dates of service must be within the plan year.
- DCA claims can be submitted up until 3.31.26. Dates of service must be within the plan year.

When do I qualify to enroll in the FSA plans?

For existing employees, you are eligible to enroll during the established open enrollment period OR if you experience a qualifying event that allows a mid-year enrollment. For newly hired employees, you are eligible to enroll the first of the month following your date of hire.

Terminated employee filing deadline

You will have 30 days following the date of termination to submit Health care FSA claims incurred while employed at Moberly Area Community College, unless you qualify and elect continuation of your coverage under COBRA. You will have 30 days following the date of termination to submit dependent care FSA claims incurred while employed at Moberly Area Community College.

These materials were created to help you understand the benefits available to you. This is not a Summary Plan Description and is not intended to replace the benefit summary or schedule of benefits contained within the Plan. If any provision of these materials is inconsistent with the language of the Plan, the language of the Plan will govern. Meritain Health is not an insurer or guarantor of benefits under the Plan.

Making the most of your money

What if you could make your earnings stretch further? An FSA can help you do just that. Moberly Area Community College offers you an opportunity to participate in three FSA programs: A health care FSA, Limited FSA and a dependent care FSA. An FSA is a tax-effective, money-saving option that will help you pay for qualified health care expenses that aren't covered by your medical plan, and for dependent care services necessary to enable you to work. An LFSA is a tax-effective, money-saving option that will help you pay for qualified dental and vision expenses that aren't covered by your plan.

Here's how an FSA works:

- **Eligible medical expenses.** Use pre-tax dollars to pay for eligible health care expenses not reimbursed by an insurance plan. All IRS code 213(d) expenses are eligible, including your deductible, coinsurance and copays, and expenses above usual and customary limits. Out-of-pocket expenses on prescription drugs, dental, vision, hearing and orthodontic care are eligible as well. Certain over-the-counter items may qualify, too.
- **Limited purpose health care FSA.** Use pre-tax dollars to pay for eligible health care expenses not reimbursed by an insurance plan. Eligible expenses include IRS code 213 (d) dental, vision and post-deductible expenses.
- **Dependent care costs.** Pre-tax dollars can be set aside for day care type expenses for eligible children or adults. Expenses are eligible if they're for the care of a person under age 13 or an older dependent who is unable to care for themselves. They must regularly spend at least eight hours a day in your home.

Maximize your savings potential

You will gain the most savings from your FSA if you plan carefully. When you enroll in an FSA, you'll designate in advance the amount of money you wish to have deducted from your salary and deposited into your FSA over the length of a year. To do this, you must estimate in advance the annual costs you want your FSA to cover.

Limited Flexible Spending Account

If you enroll in the The Honey Baked Ham Company, LLC's Health Savings Account (HSA), you are permitted to also enroll in the LFSA. This account can work alongside an HSA and allows you to submit eligible dental, vision or orthodontia expenses for reimbursement.

Important note!

While it's not possible to precisely anticipate your eligible FSA costs, Meritain Health provides a calculation worksheet to help you: FSA Worksheet and Eligible Expenses Guide. Located in this kit, this worksheet includes examples of eligible and ineligible expenses that can be applied towards your health care FSA.

Frequently Asked Questions About FSAs

If I have a question about my FSA, who should I call?

You can contact your dedicated service team for help with claims questions or for more information about your benefits. The phone number for customer service is **1.800.566.9305, option 5**.

How do I file a claim?

1. Access your online member website account and upload your forms and supporting documentation.
2. Download the mobile application and follow the file a claim instructions, **OR**
3. Fill out a Reimbursement Request form, attach your health care and/or dependent care supporting documentation and submit your request. Request forms are available inside this packet, or you can download a form online. Fax or mail in your request per the information found in the top right corner of the form.

What if I have more expenses during the plan year than I have contributed at that time?

The annual amount you have elected for health care costs is available to you at the beginning of the plan year. The amount available for reimbursement for dependent care is limited to the balance in your account.

What if I want to change my election mid-year?

IRS regulations do not allow you to stop, start or change your contributions at any time during the plan year **UNLESS** you experience a qualified change in status, such as a change in marital status, number of dependents or employment status. Keep in mind that the election change must be consistent with the event.

Your Meritain Health Prepaid Benefits Debit Card

What is a benefits debit card?

Your new Meritain Health Prepaid Benefits Debit Card is a special-purpose MasterCard® that gives you an easy, automatic way to pay for qualified health care expenses. You can electronically access the pre-tax dollars set aside in your FSA and LFSA.

How does my debit card work?

It works like a Mastercard, with the value of your FSA or LFSA contribution stored on it. When you have a qualified, eligible expense at a business that accepts Mastercard debit cards, you can simply use your benefits debit card. The amount of the qualified purchases will be deducted—automatically—from your account, and the pre-tax dollars will be electronically transferred to the provider/merchant for payment.

Is this just like other Mastercards?

No. Your benefits debit card is a special-purpose Mastercard that can be used only for qualified health care expenses. It can't be used, for example, at gas stations or restaurants. There are no monthly bills and no interest.

Do I need a new card each year?

No. As long as an FSA remains part of your benefits plan and you elect to participate each year, your card will be loaded with your new annual election amount at the beginning of each plan year. The debit card is valid for five years; but, if you skip a year, your original card will be reactivated.

If you didn't keep your original card, you'll need to request a new card for a nominal fee of \$5.00. This fee will be deducted from your available balance. If you need a new debit card, please call Meritain Health at **1.800.566.9305, option 5**.

Where can I use my debit card?

Your card can be used to pay for eligible goods and services at providers/merchants that offer these goods or services and accept MasterCard. IRS regulations allow benefits debit card holders to use their cards in discount stores and supermarkets that are able to identify FSA-eligible items at checkout. If a card holder tries to use his or her card in a discount store or supermarket that doesn't offer this feature, the card may be declined.

When do I use my debit card?

When using your card, make sure to only use it for expenses that have been incurred during the active plan year. Once the new plan year begins, all card transactions will be paid from the new year's election. **It's important not to use the card to pay for a prior plan year expense.**

The grace period extension is available on your debit card for the Health care FSA and LFSA plan(s). This means dates of service incurred in a new plan year can be applied to prior plan year balance for a limited time. When you swipe your debit card, during the grace period extension date range (1.1.26-3.15.26), all transactions will be applied to the prior plan year's balance. Once the grace period date range ends all transactions will apply to the current running plan year. Any refunds made to the debit card during this time will also be deposited into the prior plan year's balance.

What can I expect after I use my card?

Save your itemized bills, Explanation of Benefits (EOB) and/or provider statements for services and purchases made with your benefits debit card. You may be asked to submit those documents to verify and validate a transaction as FSA eligible.

An FSA or LFSA, is an IRS regulated benefit. It must be utilized to pay for qualified health related expenses you and your eligible dependents incur during the applicable period of coverage. All plans managed by Meritain Health are administered in accordance with the IRS guidelines and substantiation requirements. When and if requested, you must provide the health FSA administrator with the applicable supporting documentation to validate your charge(s).

What if I fail to submit eligible supporting documentation to verify a charge?

If eligible supporting documentation isn't submitted as requested to verify a charge made with your benefits debit card, your card may be suspended until eligible supporting documentation is received. You may be required to repay the amount charged. Submitting an eligible supporting document or repaying the amount in question will allow the card to become active again. **It's important to confirm that your expenses are eligible.**

Eligible supporting documentation must include:

- Date of service.
- Merchant or provider name.
- Patient name.
- Service(s) rendered or items purchased.
- Patient responsibility/total amount of purchase.
- Amount covered by insurance, if applicable.

Direct Deposit For FSA Reimbursements

How the program works

When you submit an eligible claim for reimbursement, the Meritain Health claims office will process it and, instead of sending you a check in the mail, funds will be deposited into your checking account. Later, you will receive an Explanation of Payment (EOP), giving you the full details of the reimbursement.

How to sign up for this program

As soon as possible, complete and return the setup form included to your human resources department. Along with the setup form, you will need to provide a copy of a voided check listing your account and bank routing (transit) numbers. There is no set up fee, and this is a one-time set up process. You will only need to repeat this process if your bank account information changes.

Tired of waiting to receive your FSA Explanation of Payment (EOP) in the mail?

Members with direct deposit can view FSA EOPs online. When your FSA claim is processed, you will receive an email notification that your FSA EOP is available to view when you log on to <http://account.meritain.com>. If you already have your email address loaded into the Meritain Health system, you will begin receiving FSA EOP notices automatically.

Want to receive your EOP via email?

Simply provide your email address to Meritain Health, and you're on your way!

- When you elect direct deposit, simply note your email address on the direct deposit form.
- You can also contact Meritain Health and provide your email address. Call Customer Service at **1.800.566.9305**, option 5.

Managing Your Direct Deposit Set-Up

Direct deposit for quick reimbursement

When you submit a request for reimbursement for an eligible expense, the Meritain Health® claims office will process it and, instead of sending you a check in the mail, will directly deposit the funds into your checking account.

There are several valuable advantages to direct deposit reimbursement; it eliminates the handling of physical negotiable checks, it's secure, confidential, convenient and fast. Your reimbursement(s) will be deposited directly to the financial institution account of your choice.

Don't delay, sign-up today!

1. Visit your online account at www.meritain.com.
2. Complete and return the setup form. **OR**
3. Visit your account via your mobile app.

How to sign up for direct deposit online

Visit your Flex/CDHP account and add or update your direct deposit information online:

1. Under the Accounts tab, select *Banking/Cards*.
2. Under Bank Accounts, click *Add Bank Account* and follow the instructions.

There is no set-up fee, and this is a one-time set-up process. However, once your bank account information has been added, a micro-deposit transaction will be processed. A micro-deposit is a random credit and debit transaction, the amount ranges between \$0.01 and \$0.99, Meritain Health does not control the amount processed. Once the micro-deposit is confirmed, you must validate the bank account via the member portal, the mobile app or by contacting our customer service team.

Presence of bank account information does not guarantee a direct deposit reimbursement, the account must be validated in order to be used for direct deposit reimbursements.

Validation is a time sensitive matter; you will have 30 calendar days to validate the amount from the time the transaction is initially processed.

If you do not validate within the 30 calendar days, the bank account on file will expire and will be updated to an inactive status.

Although this is a one-time process; please be aware you will need to repeat this process in the event your bank account information ever changes.

To qualify for reimbursement from your health care account, expenses must be for a medical condition. Some health care services and products may be for both general health and specific medical conditions. Therefore, Meritain Health® will require validation from a licensed medical practitioner that an expense is recommended for treatment **and** is a direct result of a specific medical condition.

This form will assist you and your health care provider in providing the necessary information we need in order to process your claim. In lieu of this form, you may submit a letter from your provider on their letterhead which includes the required information outlined on this form.

Please submit this form **or** a letter from your provider, with the first claim you submit for the service or product. Meritain Health will make a notation on your record of the allowable item(s) and the date of the letter. The letter will be valid for expenses incurred for one year from the date on the letter. At the end of one year or end of treatment date, whichever occurs first, a new letter will be required.

IMPORTANT: all information on this form must be completed before we will process your claim.
