

Associate of Arts (Updated 12/2/25)

Name: _____

ID#: _____ Date: _____

1. Core Transfer Curriculum (CORE 42) :

The Core Transfer Curriculum comprises 42 hours of the 60-hour AA degree. MACC courses designated as Core 42 are recognized as part of the state's general education CORE 42 transfer curriculum and are guaranteed to transfer to Missouri public colleges and universities. Students who complete the entire 42-hour block will have fulfilled all lower-level general education requirements (excludes professional programs) at Missouri public institutions.

2. Communications (9 credit hours):

LAL101 Composition I (3) _____

LAL102 Composition II (3) _____

SPK101 Public Speaking (3) or _____

SPK120 Interpersonal Communication (3) _____

3. Mathematics (3 credit hours):

MTH140 College Algebra (3) or _____

MTH142 Quantitative Reasoning (3) or _____

MTH145 Trigonometry (3) or _____

MTH150 Precalculus (5) or _____

MTH160 Elementary Statistics (3) or _____

MTH190 Calculus for Business and Life Sciences (3) or _____

MTH201 Analytic Geometry and Calculus I (5) _____

4. Social and Behavioral Sciences (9 credit hours):

Social and Behavioral Sciences are identified by the CORE 42

symbol . *Two disciplines must be represented.* The required hours must include one of the following courses to fulfill the state's history/Constitution (civics) requirement:

HST105 American Hist to 1865 (3) or _____

HST106 American Hist from 1865 (3) or _____

PSC105 Intro. to American Government (3) _____

The remaining six hours must be selected from the following disciplines: ECN, GEO, HST, PSC, PSY, and SOC.

5. Physical and Biological Science (7 credit hours):

Physical (PHY) and Biological (BIO) Sciences (including AGR141 Plant Science) are identified by the CORE 42 symbol . *Two disciplines must be represented and must include at least one course with a lab component.*

6. Humanities and Fine Arts (9 credit hours):

Humanities & Fine Arts are identified by the CORE 42 symbol . *Two disciplines must be represented. There is a limit of three (3) credit hours of Performance (PERF) courses.*

7. Additional Core Transfer Curriculum Req. (5 credit hours):

Students must select courses identified by the CORE 42 symbol

 to fulfill any remaining hours in the core transfer curriculum.

Maximum of 5 credit hours that result from an overage in total credit hours from Communications, Mathematics, Social & Behavioral Science, Physical & Biological Science, and Humanities will apply to the Additional Core Transfer Curriculum requirement. Any additional credit hours from the 42-credit hour transfer curriculum will apply to elective hours.

End of 42-hour Core Transfer Curriculum

8. Electives (Complete courses to reach 60 credit hours. Maximum of 18 elective credit hours allowed for the degree.):

For some degree programs, recommended elective choices are listed with the suggested curriculum. For other programs, electives will be based on the student's area of interest. Students should always see an advisor for assistance in choosing appropriate electives.

Certain career/technical courses will meet elective requirements. Other career/technical courses may be taken as electives if the student presents written proof from the receiving institution guaranteeing acceptance prior to these career/technical courses being counted as electives.

Veterans may receive two credit hours of physical education for military training programs according to eligibility, application, and submission of qualifying documentation (DD-214 required).

9. Other Coursework (does not count toward degree):

10. Additional Graduation Requirement (Civics Exam):

Missouri law, included in Senate Bill 807, requires every college student pursuing an associate's or bachelor's degree at a public institution to pass the **Missouri Higher Education Civics Achievement Examination** with at least a 70 percent to graduate. The rule will apply to the incoming class of first-time college students in the fall of 2019 and all students thereafter.

Total Hours Completed to Date _____

Minimum Hours Required for Degree **60 hours**

For students who are juggling families, work, and other responsibilities, enrolling in two classes every 8-weeks is a great way to earn your degree. There are many benefits to enrolling in 8-week classes:

- Focus on fewer classes at once
- Earn credits faster
- Part-time class schedule and still graduate in two years.
- Full-time financial aid eligibility

The Associate of Arts degree with an emphasis in General Studies is designed for students who plan to transfer to a four-year college or university but are undecided about their future course of study. Choosing General Studies provides students with the flexibility of completing coursework that meets requirements for transfer, aids in career exploration, and builds a solid foundation for their future education. A wide range of general subjects may be chosen under the general studies elective coursework to include science, humanities, English, social and behavioral science, business, and mathematics.
