SPRING 2026 HEALTH SCIENCES CAREER FAIR

Tuesday, March 17, 2026 | 10 AM to 12 PM

MACC – Activity Center, 101 S. College Ave., Moberly, MO 65270

Dear Employer/ Agency:

We cordially invite you to participate in our annual Health Sciences Career Fair on Tuesday, March 17, 2026, from 10 am to 12 pm at the MACC - Moberly Activity Center.

We welcome all health sciences students, local high school students, and members of the public to join us for this event. We encourage you to showcase your health sciences programs and employment opportunities with us!

To plan your participation in our fair, please refer to the following itinerary:

9 am to 10 am: Check-in and booth setup for recruiters

From 10 am to 12 pm: The event is open to students, alumni, and the public

Registration includes the following items:

One 3' x 8' table

Two chairs -Additional chairs upon request.

Electrical Outlet (MUST provide own extension cords)

Registration for this event is free of charge. To ensure your spot, please register your business online at www.macc.edu/health-sciences-career-fair-exhibitor-form/ or by returning the attached vendor registration form before March 6, 2026.

Many healthcare professionals start their journeys at MACC in northeastern and central Missouri. The health sciences field merges science and healthcare to deliver high-quality care to individuals of all ages and health conditions within our communities. Students in our Health Sciences Department pursue various programs, including Behavioral Health Support, Nursing, Medical Laboratory Technology, Occupational Therapy Assistance, Surgical Technology, Emergency Medical Technology, and Respiratory Therapy. Additionally, some students are preparing to transfer to four-year institutions for advanced training in athletic training and other health-related disciplines.

If you want to hire the right employee for your company, don't miss out on the opportunity to hire or recruit one of our graduates.

Hope to see you there!

Sincerely,

Michele McCall, Dean of Student Affairs and Enrollment Management
