

Associate of Applied Science – Early Childhood Education

Name: _____ ID#: _____ Date: _____

The MACC Early Childhood Education program prepares graduates to support children and families by providing responsive care and quality education as a teacher/caregiver or director in childcare center, family childcare home, a Head Start, or Early Head Start program. Successful graduates can also be parent educators, enter public schools as a paraprofessional, or continue their education in this field. The Early Childhood Education program also offers a 32-credit hour certificate, a Certificate of Specialization and the Child Development Associate credential. This academic map is a suggested semester-by-semester schedule of courses based upon the AAS degree requirements as outlined in the academic catalog.

Additional Graduation Requirement

Missouri law, included in Senate Bill 807, requires every college student pursuing an associate's or bachelor's degree at a public institution to pass the Missouri Higher Education Civics Achievement Examination with at least a 70 percent to graduate. The rule will apply to the incoming class of first-time college students in the fall of 2019 and all students thereafter.
