LOAN AMOUNT REQUESTED

Please indicate your requested loan amount below. We recommend that you always borrow conservatively. We will always process subsidized loans first; if you do not qualify for a subsidized loan, we will automatically process an unsubsidized loan. Please refer to page three (3) of the Federal Direct Student Loan Application Guide for annual loan limits and loan type definitions. Dependent students whose parents were denied a PLUS Loan are eligible to apply for up to the independent-level annual maximum. Documentation of the denial must be attached to this Loan Data Sheet. **Loans must be prorated for students in the last semester of their program. Additionally, annual loan limits must be prorated if a student is enrolled less than full-time. Enrolled hours will be re-evaluated at the time of disbursement; if a student drops classes after their initial loan eligibility is determined, the loan amount may be reduced.**
