

Associated of Applied Science – Occupational Therapy Assistant (OTA) Hybrid Program

Name: _____ ID#: _____ Date: _____

The AAS in Occupational Therapy Assistant is a one-plus-one degree program which prepares students to practice as a certified occupational therapy assistant (COTA) after meeting certification and state licensure standards. Moberly Area Community College is one of five colleges in the Missouri Health Professions Consortium (MHPC) currently selected to offer the hybrid program. MACC will offer and enroll students in the general education coursework; sophomore level (professional level) coursework will be taught to MACC students at a classroom located on the MACC-Columbia campus. Interactive television and internet based technologies will also be readily utilized to convey course content. Through the combination of general education, professional level coursework, classroom and laboratory practice, and clinical fieldwork experiences, students will learn the profession of occupational therapy assistant. The Professional Year does not run on a traditional MACC academic cycle. Completion of professional year coursework takes one full calendar year.

Taken	Course	Semester	Hours
		Required Pre-Entry Courses (Prior to entering the program, students must complete the following courses and meet the required grade point average):	
	BIO205	Human Anatomy**	4
	BIO209	^Physiology**	4

	OTA295	Level II Fieldwork B	8
			16
		Minimum Required Hours for Degree	78-80

*It is strongly recommended that students successfully complete the Milestone courses as planned on the academic map to ensure completion of the degree in two years. In addition, if students do not successfully complete the Milestone course(s), they are strongly encouraged to re-enroll in the course(s) the following semester.

**Anatomy and Physiology must be repeated if completed five years or more before the date of entry into the program.

^Please refer to the course descriptions for pre/co-requisite and placement information. You can only register for these courses if you have met the prerequisite, placed into the course and/or enroll in the co-requisite course(s).

**Directed Electives (One course required prior to entry into the OTA Program):

ITC101 Computer Essentials or

PHI152 Introduction to Ethics or

SKL101 College Orientation or

SOC101 Sociology (Recommended)

Additional Graduation Requirement

Missouri law, included in Senate Bill 807, requires every college student pursuing an associate's or bachelor's degree at a public institution to pass the Missouri Higher Education Civics Achievement Examination with at least a 70 percent to graduate. The rule will apply to the incoming class of first-time college students in the fall of 2019 and all students thereafter.

For additional admission information, please see the OTA Application located on the MACC website.
