

Spring 2024-Spring 2026 Instructor Ratings by Students

Aggregate data represent all terms from Spring 2024-Spring 2026.

In compliance with [CSR 6c10-9](#), which outlines the requirements for consumer reporting, Moberly Area Community College has made available to its students rankings of instructors.

Students rate instructors on a scale of 1 to 5, with 5 being the highest rating. Students rate instructors on the following prompts:

- *Conducted self in a professional manner*
- *Clearly communicated the subject matter*
- *Encouraged student participation and critical thinking*
- *Provided assignment grades in a timely manner*
- *Available to help students outside of class*
- *Responded promptly to emails and Canvas messages*
- *Created a welcoming & inclusive environment*
