Dual credit classes are a great way to receive college credit while still in high school. These courses will be taught in your high school by instructors who have been approved by MACC. These instructors have a Master's degree and will be teaching the course according to college standards. Academic dual credit classes will transfer to most public and private institutions in the state. If you would like information about transferability to a specific college, please feel free to call us at the phone number mentioned below.

On Tuesday, September 8, 2026 @ 9 a.m. MACC will visit Moberly High School to enroll students for dual credit classes. Dual credit classes cost \$49 per credit hour for IN DISTRICT students, \$84 for OUT OF DISTRICT. The students are responsible for the textbooks for the online classes.

**All MACC students will be sent a bill to their mailing address with a QR Code in early to mid October. Students can pay with a credit card using the QR code or checks can be mailed to MACC, Attn Business Office, 101 College Avenue, Moberly, MO 65270. No money is accepted on enrollment day.*
