

Graduation & Transfer Rates

Moberly Area Community College

The graduation and transfer rates for MACC are based on the Fall 2023 cohort of full-time, certificate- or degree-seeking students who had not previously enrolled at any MACC or any other institution of higher education. These rates reflect the percentage of students in the group who completed their respective programs of study or transferred on to a 4-year institution of higher education by August 31, 2026. The figures were compiled in compliance with the Student Right-to-Know Act, Public Law 101-542.

The graduation rate for students who entered MACC in Fall 2023 was **33%**; the rate for student-athletes was **13%**. The transfer rate to 4-year institutions for students (non-graduates) who entered MACC in Fall 2023 was **20%**. The transfer rate to 4-year institutions for student-athletes (non-graduates) entering at the same time was **13%**.

The chart below indicates the total number of students in the initial cohort by gender, racial/ethnic category and the number within each group that completed their program of study at MACC or transferred on to a 4-year institution by August 31, 2026.
