## **ASSOCIATE OF SCIENCE IN ENGINEERING**

---

When students complete an Associate of Science (AS) in Engineering degree at MACC they will be able to:

- Demonstrate foundational knowledge in math and science necessary to transfer to a bachelor's degree engineering program at a four-year institution.
- Demonstrate effective oral and written communication, teamwork and collaboration in scientific, mathematical and other settings.
- Demonstrate logical reasoning in problem solving by using appropriate mathematics, diagrams and the principles of physics and chemistry.

**This is our program promise.**
