Are you a young person who wants to make a difference in your community? In ASTRA we believe that age is no barrier to being able to improve the lives of others. No matter how old you are, you have the power to create positive change! ASTRA provides community service opportunities for youth, so that you can use your time and talents to help people. In ASTRA you will form lasting friendships, develop your leadership skills, and interact with other local volunteers on projects of lasting benefit. An Altrusa club acts as the sponsor for an ASTRA club, which are usually connected to a school. ASTRA includes a wide age range from middle school and high school, to college students. Altrusa International supports ASTRA by recognizing their service through awards, providing scholarships, and issuing graduation cords. MACC ASTRA has completed service projects including: Food drive for Central & Northeast MO Foodbank, military care package item donations, school supplies donations for Community Childcare Learning Center, luggage/bag donations to Safe Passage, Salvation Army Bell Ringing, volunteer for local animal shelter, and many more....let us know if you would like to be a part of this service organization by submitting a membership form.
