

ASSOCIATE OF APPLIED SCIENCE MEDICAL LABORATORY TECHNICIAN

When students complete an Associate of Applied Science (AAS) Medical Laboratory Technician (MLT) degree at MACC they will be able to:

- Demonstrate knowledge of laboratory professional practice by providing safe, effective and accurate laboratory test results while maintaining patient confidentiality.
- Utilize established laboratory procedures taking into consideration the application of scientific principles, technical skills for operation and maintenance of laboratory equipment, and relationship of laboratory findings to disease states to ensure appropriate patient diagnosis and treatment.
- Employ professional conduct and communication skills with patients, families, laboratory personnel, healthcare team members, and the community as a medical laboratory technician.
- Participate in professional development activities valuing the importance of continuous learning in laboratory medicine.
- Comply with Federal, OSHA, and laboratory safety procedures for the well-being of the patient, healthcare team, self, and community.

This is our program promise.
